Type	Report
Status & version	draft for review
Number of pages	9
WP / Task responsible	WP9 – Management / UPF
Other contributors	All partners
Author(s)	Josep Blat, Marcelo Bertalmío, Guillem Antó
EC Project Officer	Ms. Cristina Maier, Cristina.MAIER@ec.europa.eu
Abstract	This deliverable summarises first the type of data which the project intends to release, namely, publications, software, professional data and derivatives. It outlines the access strategy for each type of deliverable, which is standard open access for the publications and partly open access for software, and the rest of professional data. It discusses technical details of hosting, cost, transfer, security, etc. The plan will be updated in the reports dealing with WP8 and WP9.
