1 EXECUTIVE SUMMARY

The document provides a log of dissemination activities to promote SAUCE throughout the project.

The document is a complete record of our dissemination activities, comparing our success against our key performance indicators laid out in the project plan. A full list of our dissemination activities is given, including conference events, paper submissions and news articles, and a comparison against our targets is given. An overview of the website, social media and their achievements at getting interaction is included.

We conclude by summarising the impact of the project to the creative community and the reach it has had.
